

2012 VADA/Nova Chapter Awards In Hand/Breed Shows

Method for calculating awards:

All awards will be calculated by adding the horse scores together and then dividing by the total number of tests ridden to result in an average score. The awards year will run from December 1, 2011—November 30, 2012. Ribbons will be awarded for all in hand/breed show classes combined (young horse, mature mare, mature stallion).

General Requirements:

- The owner must be a member of VADA/Nova at the time the score is earned. (You may join VADA/Nova at any time: arrival at show, or send to the Show Secretary with your entry.)
- If a test has been scored by more than one judge, the combined average score as calculated at the show will count. The tests MAY NOT be counted individually.
- Class may be open or IBC
- Materiale and other under saddle classes do not count toward this award.
- Amateur handler scores will not count toward this award.

Young Horse, Mature Mare and Mature Stallion

- Two (2) scores, by the same horse
- One (1) of the scores must be earned at a VADA/Nova breed show (8/11 or 8/12)

Volunteer Requirements:

- Twelve (12) hours of volunteering at a VADA/Nova event (licensed show, schooling show, clinic, etc.) is required.
- If an owner submits for awards with multiple horses, only 12 hours of volunteering is required
- This 12 hours may be earned by horse owner, family member or friend
- There will be **no exceptions to this requirement.**
- *Note that volunteer time provided to listed shows or other non-VADA/Nova events will not count.*

The following must be received by December 1, 2012:

- Award report and cover sheet
- Copy of the front page of the test for each score submitted (must show horse name, date of show, location, points, and total percentage) or USDF printout with scores to be used highlighted
