Yes, it is the dead of winter and probably the furthest thing from your mind right now is showing your horse. But if we are lucky, spring will be here before you know it—the first show on the VADA/Nova calendar is the schooling show at Morven on March 22nd. So, with that in mind, we thought we would pass on some show news and notes.

First, and most critically, the new round of tests was rolled out on December 1st. There have been changes to all the national tests and some minor tweaks to a number of the FEI tests. The new tests will be in effect until November of 2018, so even if you are not planning on showing in 2015, you need to learn these tests. And if you plan to do a Musical Freestyle in the coming year, take note—there have been significant changes to the freestyle tests as well, with a redefinition of what is allowed at each level. Now, nothing that appears at a higher level can be ridden in a lower level freestyle, so for example while in the past, walk to canter transitions were previously allowed in a First level freestyle, that is no longer the case. The new USEF tests can be found at -https://www.usef.org/_iframes/breedsdisciplines/discipline/alldressage/dressagetestmov.aspx.

Another significant change in 2015 involves the number of our licensed shows. New for this year, in June we will now be having 2 separate shows, a 1-day show on Friday June 5th, which will feature both breed and performance classes and a 2-day show with performance classes on Saturday/Sunday, June 6 & 7. So, why are we doing this and what is the impact on you? We have decided to split our normal 3-day June show into 2 separate shows to give competitors 2 opportunities to qualify for the regional championships over the course of a single weekend. From the competitor’s perspective, this change should be seamless, with one important exception—two entry forms will be required if you want to show on Friday and then again on either Saturday or Sunday, or both. But the VADA/Nova Board felt that the benefits to the competitors far outweighed this hassle and we hope you will agree. We would love to hear what you think.

On the schooling show front, there will be a reduction in the number of 2 ring shows we plan to run. The only 2 ring show on the schedule is the Schooling Show Championship at Morven Park in November. So, if you want to make sure to get into a VADA/Nova schooling show, be sure to get your entry to the show Secretary in a timely manner.

Finally, as is the case each year, there have been a number of rule changes passed by the USEF over the course of the year which will be in effect by the time our first licensed show (the Bunny Hop on April 4 & 5) rolls around, so be sure to review the USEF Rulebook before dusting off your show coat. Both the General Rules and the Dressage Rules apply to our competitions and can be found at https://www.usef.org/_IFrames/RulesBook/rules.aspx.

So, keep thinking thoughts of spring, warm breezes and the show ring—all will be here before we know it!

The meeting started at 7:15 via teleconference due to inclement weather.

There were eleven Board members present and three were excused.

December Meeting Minutes unanimously approved by the Board

Membership/Newsletter: Barb reported that as of 1/12/15 there were 158 members. This is down about 20 from this time last year.

Treasurer’s Report: Dilly reported that she had not gotten the December statement, but the regular account balance for November was $81,613.33. Upcoming expenses will include show ribbons for 2015 as well as insurance. The Special account balance stayed the same.

Banquet: Sheli reported that as of 1/12/15 (the closing date) there were 128 people signed up. Diann C. suggested that the people helping with the volunteer gifts label the tags with table numbers so people can get their gifts. Above & Beyond gifts will be in the back room. Everyone will be given 1 raffle ticket in their envelopes, along with their Silent Auction bridle number. This year there will not be seat assignments- just table numbers. The various organizers discussed finalizing Silent Auction items, raffle baskets, etc.

New Business: Alison reported that so far 9 people had signed up for the Debbie Rodriguez clinic at the Best Western in Leesburg. There will be fliers for this as well as the upcoming Fix-a-Test on all tables at the Banquet.

Alison reported that she & Sheli King went to a PVDA meeting to talk about things VADA/Nova could do in conjunction with PVDA. This year marks the 25th Anniversary of the Youth Team show, which PVDA started. They will help VADA/Nova organize something special to commemorate this anniversary. PVDA would also like VADA/Nova to work with them on a Dressage symposium for 2017. This will be discussed further.

Meeting adjourned at 8:45 p.m.
Respectfully submitted,
Diann Landau

Member of the Month

For February we’d like to introduce you to Megan Giusti. Megan lives in Lovettsville with her parents, 5 horses, a dog, barn cat & a kitty who adopted them New Year’s Eve. She works for ECHO (Every Citizen Has Opportunities) at their Lansdowne Hospital site. As in everything she does- work, riding, volunteering- Megan is very focused and loves her job.

Megan started riding at age 6 with the Loudoun Therapeutic Riding group, first on a lead line, and eventually independently. This year will mark Megan’s 25th year with LTR. She has progressed to where she’s riding walk, trot and canter. She rides her favorite mount, Jolie, once a week. After her lessons she helps out other riders or with barn chores. Megan got started competing through the LTR shows at Morven Park, and in 2000 she competed in her 1st VADA/Nova show. Her ability to memorize a test after riding it once, consistently getting “8’s” on her center lines, her constant quest for the perfect 20 m circle and her sheer concentration while showing (try getting her to smile before she’s done with a test!) makes this the perfect discipline for her. Megan has two loves- LTR’s Jolie and her new mount, Annie. While ribbons are nice, Megan is now concentrating on her scores- which often are higher than her mom’s!

Megan enjoys volunteering for VADA/Nova. Her favorite job is to be a runner. She has the routine of when to collect score sheets down pat! And she also enjoys the lunches and shopping at VTO or MKR Designs.
