VADA/NOVA NON-MEMBER SHOW PASS PROGRAM

VADA/Nova is excited to announce a new program designed to encourage those individuals who do not wish to join VN to participate in our schooling shows. Beginning in 2018, non-members can purchase a Non-Member Show Pass. The Pass will cost \$20 a year and will entitle the holder to compete at VN Schooling shows for the same fee as VN members (\$30/ride). They will also be given priority along with members in filling available ride times. Pass holders would also be eligible to compete in Championship Classes at the VADA/Nova Schooling Show Championship, provided they meet all other qualifications.

Pass holders would not be considered VN or VADA members for any purposes. Therefore, pass holders would not become USDF GMO Members, could not compete as a VN member at the VADA Chapter Challenge and would not be eligible to participate in the VN or VADA Year End Awards Program.

At any time during the calendar year up until July 31st, pass holders may join VN by paying the difference between the cost of a Non-Member Show Pass and a VN membership (for 2018, \$30.) Once they join, all scores earned by that person would count for purposes of VN Year End awards, and they would then be both a VADA and USDF group member. However, their prior scores would not be eligible for VADA year end awards, as the state association requires a person to be a member at the time the scores are earned in order for those scores to count for VADA (state) year- end awards.
